New York City.

Dear Mr. Trees:

Last year you suggested that I remind you about this time that we should be very glad to receive your customary annual gift of medals struck by your firm during the year. You see that I am conscienceless in asking for these and I needn't explain the reason - that it is because I like to see good medals added to our collection. If you can send me the usual list I will write to the artists involved for the necessary permission and make an effort to get the word to you so that it will be possible for you to have some of these medals on exhibition at the annual meeting. With warm appreciation for past favors I beg to subscribe myself

Sincerely yours,
